

The Independent Music Group Gulf Coast

1st National Book for Students Fundraising Tour

Books for Students

Education has been one of the BEST ways to improve the quality of life throughout history. It is unfortunate that due to hardships and difficult circumstances, a number of students remain deprived of a complete education and it is not something that is easily found or provided for.

The upcoming year of 2012, Independent Music Group Gulf Coast has sought carefully to examine and select colleges and eager students to assist in a fundraiser called “Books for Students”. This national program is established to provide voucher for students whom are unable to purchase books due to lack of funds. We will provide selected schools with an entertainment showcase event at no cost. Profit from the event will be split 70/30, which 70% of the revenue will go to the schools.

Entertainment for the showcase will consist of entertainers which we promote and talented students of that school. Winners will receive prizes and gifts from us and our sponsors. The event will be recorded and aired on Gulf Coast Access music video and entertainment show channel 19 and 51 .We will broadcast the advertise this event on www.imggulfcoast.com and www.gulfcoastaccess.homestead.com a month in advance. During the advertising of the event our television show will provide live interviews and details of that particular school.

If you would like for us to consider your college to be a part of this historical national fundraiser event. Please contact us by email ceo@imgulfcoast.com or visit our website at www.imggulfcoast.com

Sponsorship package will be available to any individual or company who would like make this event a very successful tour by November 3, 2011. Visit our website for more details.

Sincerely,

Horace L. Pratt
